President's Message

The year is winding down, and it has been a good year for the FCA. The FCA highly values each and every member and chapter across the country and is here to help every one of you. No one person, chapter or state is more important than another. My dream would be for every member to be able to attend a National Meet and feel the fellowship that abounds there — complete strangers have become close life-long friends all because of the the love of an automobile, the Ford Falcon.

We have another new chapter, the Blue Ridge, in North and South Carolina. There are four or five more about to be formed. Our Chapter Coordinator, Steve Springer, is doing a great job helping get these organized.

The River City and Suncoast chapters will be hosting regional meets this spring. We could stand to have some more — so see if your chapter is interested.

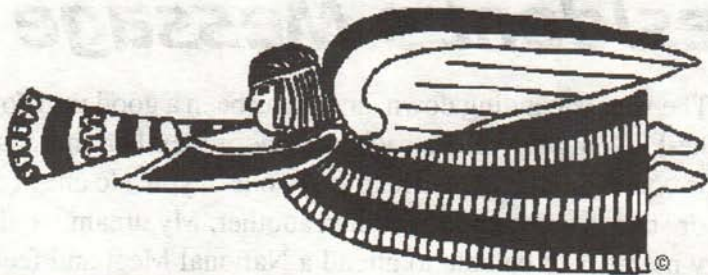

Our Club Store has lots of Falcon goodies for your loved ones that would make great Christmas presents, so order them soon. I'd like a nice black '65 Sprint convertible for my Christmas present, but I don't think Bonnie stocks them in the Club Store.

In a previous issue I thanked all of those who helped put on the 1993 National Meet, but somehow I forgot to thank Russ Hoeksema and Don Anderson for going to Knoxville and getting the whole ball rolling. Sorry about that! If I missed anyone else, please forgive me. I truly appreciate everything that everyone did.

Have a Happy Holiday and a Happy Falcon New Year.

Jim Hatcher, FCA President

P.S. Those members who signed up but did not pay for National Meet T-shirts in Knoxville should remit the correct amount to me to avoid paying c.o.d. charges. These shirts will be ready for shipping very soon.

Vice President's Message

The year 1993 was good for the FCA. We welcomed over 150 new members and chartered three new chapters. Charters for two more are in progress. Activities among chapters, including regionals, were at an all time high. The National Convention was well attended and even profitable. The quality of our publications has steadily improved and continues to offer what the membership has requested. The Club Store continues offering the best quality goods and maintains profitability. Excellent job by Bonnie and Mary!

The Board of Directors has done an outstanding job of keeping the club pointed in the right direction — family oriented, friendly and fun. President Hatcher has continually demonstrated superior leadership in the day-to-day responsibilities of his office. This is a big job and Jim is the best! Jimmie and Ruby have kept this club functional and running like a well-oiled machine (big, Big Job!). They even have fun doing this difficult and time-consuming task.

I'm saving the Best for last. The membership of the FCA is without a doubt the best of any club in this nation!!! We would not have existed for over 14 years if not for every last one of you. I would like to thank members for their dedication and support to the FCA during the past year and really look forward to an even more successful 1994. From my family to yours, the Best of Holidays!

Love ya all,
Marty

Chapter News

The *Suncoast Chapter* reports holding a great meeting at Sebring hosted by Shirley and Ron Love and Penny and Robert Herrault. There was a business meeting followed by a super spread of chicken, salad, cakes and cookies. They have 15 reservations for the hotel in Kissimmee and are preparing for their 4th Florida Regional Show. Ballots are ready to be sent out for election of officers, and preparations are being made for the holiday party in December.

The *Mason Dixon Chapter* has been very busy the past few months. Libby Wilson hosted the annual summer picnic at Patapsco State Park where nine Falcons, a Comet and a Fairlane attended. All the good food and Falcon talk was made all the better because two new members signed up. Members also participated in the 4th Annual S.M.I.L.E.S. (Service Makes an Individual's Life Extra Special) Auto Show in Havre De Grace, MD. Proceeds benefit the local high school's community service projects for senior citizens, underprivileged children and the handicapped. Chapter member Phyllis Perzanowski is a key player in the running of this event. At their annual fall potluck picnic at Sandy Point State Park, thirty members/guests drove ten Falcons, a Mustang 5.0 and a Comet despite the cold weather. Elections were held with Phil Barber being elected president; Carl Cline, vice president; Bill Anonsen, secretary; Lynn Jensen, treasurer. Other discussion centered on the upcoming annual dinner and the chapter's desire to hold a regional next fall.
